

# ZTYLUS SLIM APPLE PENCIL CASE INSTALLATION

## 1 PREPARE FOR INSTALLATION

While holding the top half of the case, twist the bottom half of the case clockwise until it stops.

## 2 RELEASE THE LOCK

Twist the end of the case to loosen it.

## 3 INSERT THE APPLE PENCIL

Slide the Apple Pencil in through the top of the case.

## 4 POSITION THE APPLE PENCIL

Make sure the Apple Pencil reaches the end of the case.

## 5 SECURE THE APPLE PENCIL

Tighten the end of the case until the Apple Pencil fits snug in the case.

## 6 READY FOR USE

After installation, the tip should be extended as shown and it's now ready to use.

\*Apple Pencil is not included

# ZTYLUS SLIM APPLE PENCIL CASE FEATURES

## RETRACTABLE DESIGN

When you aren't using the Apple Pencil, retract it into the case to protect the fragile tip from accidental damage.

## CHARGER FRIENDLY

The Slim Apple Pencil Case gives you full access to the lightning connector when you need to charge your Apple Pencil.

## INTEGRATED CLIP

Easily carry your Apple Pencil around by clipping it onto your clothes or a bag.

## STOP ROLLAWAYS

The clip keeps your Pencil from rolling away on smooth or angled surfaces.

## USING THE SLIM APPLE PENCIL CASE

1

Twist the case until the Pencil tip is hidden.

2

Retract the Apple Pencil when not in use.

\*Apple Pencil is not included
